The service is second to none and there is all-day dining in the restaurant, and an international spa where treatments will rejuvenate you and some can be performed in the privacy of your own suite. The views over jungle and down to the sea are enhanced by tropical islands and evening sunsets. These are available from your living area, the bedroom and of course the terrace where you can alternate sunbathing with a quick swim. The balcony is actually your lap pool complete with bathing ladder and those stunning views. Contemporary modern decor and facilities with TVs in the lounge and ensuite bedroom, a separate cloakroom, and a fully fitted kitchen with a dining area, make this suite the ideal retreat for honeymooners or long-stay couples just wishing to relax in paradise.
