With pleasure, we welcome you to CRESCENDO, a world-class home of unparalleled excellence: classic elegance, like never before. Only steps to the main village, and at the very corner of Hummingbird Run & Gondola Way, simply stated, Crescendo's location is second to none. Being embedded into the mountain's granite base and designed to be an extension of the mountain itself, Crescendo follows the mountain's contour through its split-level plan. Each 1/2 rotation about the spiralled staircase divides the front and back portions of each floor by six feet. In six very separate areas, then, Crescendo's three floors comfortably sleeps 22 adults. This high-tech, environmentally friendly home, would simultaneously put a smile on the faces of Microsoft & Greenpeace. Computer-integrated audio/video is controllable from virtually every room, and geothermal energy heats every surface (garage inclusive). At more than 5000 square feet, the Crescendo Ski Chalet at Big White is the largest single-family home offered for rental at Big White Resort. With no end to luxury at this Big White vacation rental, you will find its home design dramatic.
