This large and charming home is located in a quiet and private area.

Ideal location for a B&B which could cater for Disney holiday makers and visitors as the resort is only 10 minutes away.

This location is also used for executive workshops for the quietness and privacy it offers.

During the summer the pool will be an enjoyable asset surrounded by beautiful green trees and bushes. That said, this pool is heated so a "spring splash" would please its owners and visitors too!

Indoors it is cool during summer, warm and cosy during the winter because of the buildings traditional stone construction.

Owners are very motivated to find new owners that will take over this property and make it an enjoyable place.
