Sunshine State Villa - Comfortable Air-conditioned villa, only 9 miles from Disney World Description

Located in the Davenport Lakes area and situated in a quiet, tree lined, residential street, the Villa is fantastically located. It is just off the US27 near the intersection with Interstate 192. This gives great access to all of Orlando's famous attractions and both Atlantic & Gulf coasts, and also the rest of Florida. Interstate 192 is great for shopping & food. Nearby is Davenport Lake which is surrounded by orange groves. Nearby, there is a communal swimming pool, childrens playground, tennis court and a picnic area.

Being only 9 miles from Disney World the villa is also conveniently situated for all of the other Orlando attractions. Activities nearby include Hiking, biking, Tennis, Fishing, wildlife viewing, sightseeing etc.

Polo Park East Golf Club is a couple of minutes drive - but mind the golf carts! Polo Park Golf club is on the opposite side of the US27! Both are 9 hole golf clubs. There are 2 18 hole clubs nearby. The nearest is the famous Championship Highland Reserve course.

About 12 miles away along the I192 is the town of Celebration which is where The Truman Show was filmed. The Celebration Golf Club, which is in the top 3 of Florida's golf courses, has been host to many prestigious National and International events. The club is only a few minutes from Disney and offers a wide range of golf learning programs for golfers of all ages and abilities!

Restaurants and shopping can be found a few minutes drive along the I 192. Don't miss the Parade of vehicles at Old Town (on the I 192). There are Motor Cycles on Thursday evenings and old cars Friday and Saturday evenings. The Kennedy Space Center is about 1 hour drive to the Atlantic Coast. That is a very good, full, day out. Tampa's beaches and more attractions are about 1 hour away on the Golf Coast.
