Description

This modern three-bedroom villa in Koh Samui has been tastefully decorated to reflect a South East Asian theme, with many artefacts and ornaments to support this. From the statues around the private pool to hand-crafted items of furniture indoors, everything has been meticulously thought out. A large terrace area and deck affords endless permutations with which to enjoy the great outdoors, not least a garden Sala roof covering over part of the pool. Another Sala in the gardens has a 12-seater banqueting table where you and your guests can feast in splendour amid the sounds and breezes of the sea. A separate Jacuzzi set away from the pool offers yet more holiday pleasure. Inside there are three bedrooms, two bathrooms, a modern fitted kitchen, and dining area to offer the ultimate in holiday splendour.

LOCATION

Set on the southeast coast of Samui, which is famous for its myriad of coconut palms and stunning scenery, this is a place of tranquillity but convenient for attractions. With a beach just metres away from your bedroom, and the pool even closer, there is plenty to occupy you. In house massage can be arranged, as can a cook to whip up the banquets should you need a break from cooking. A nearby restaurant also offers another alternative, and the subdued nightlife of Lamai is just a ten minute drive. There are many activities on the island such as elephant trekking or marine excursions and tours can be arranged at your villa.

VACATION APARTMENT ACCOMMODATION

Bedrooms

The three air-conditioned bedrooms are all doubles, and have four-poster beds to add to the charm and ambience of the property. They have wooden floors and high vaulted ceilings and promise restful nights sleep on your holiday of a lifetime.

Bathrooms

There are two bathrooms in the villa and the one which is ensuite with the master bedroom, boasts an amazing freestanding stone bathtub. There are also hand made countertops with twin basins and wooden floors. The second bathroom has a wash hand basin, toilet and shower.

Dining Room

There are a multitude of choices when it comes to dining in your dream villa, not least of all the banquet style open air table and chairs for twelve people set under a garden sala roof just metres from the beach.

Kitchen

The western-style kitchen has all the mod cons of modern living with the sense of style carried through the whole villa. There is a built-in oven with canopy extractor above, stovetops, a freestanding microwave, and fitted cupboards to settle in to proper cuisine. A double drainer stainless steel sink is set into granite worktops, and there is a state of the art combination fridge/freezer.

Living Rooms

The living room is full of Asian arts, which together with the wooden floors and wood-panelled walls lend a sense of atmosphere to a beautiful room. There are golden Buddha figures and a chess set on a table for those brief moments where you may wish to lose yourself in a game. The lounge looks directly out to the pool area and its decking, to set off the view of the carefully maintained garden and sea beyond.
