Description

This Pualani Tropical Kapoho Beach home features open-beamed ceilings and panoramic ocean views. You can watch the lights from passing cruise ships at night from the lanai. You can take a short 15 minute walk to Champagne Pond or ride our bicycles to Champagne Pond or other ocean access areas to snorkel and swim with honu (seaturtles). Outside in a gazebo near the house is a full-featured spa for your relaxation and enjoyment, and an outdoor shower to rinse off after your swimming and snorkeling.

The kitchen is fully equipped with a microwave, blender, coffee maker, range, refrigerator, and all cooking and dining needs. There is a generous living and dining area opening onto the lanai, a queen-size bed in the upstairs bedroom and full bath. For extra guests, the second bedroom, downstairs, has two double-size beds and another full bath. And for your evenings, there is a satellite TV/VCR, a nice CD player, and an assortment of videos and CDs; and for those who would rather curl up with a book, there are lots to choose from. All linens and towels are supplied. We also have an ice chest for day trips, beach towels, and bicycles! My favorite thing to do is to ride to the Wai'ope Marine Sanctuary just 5 minutes south of Pualani or over to Champagne Pond, 5 minutes north of Pualani, or one of the other ocean access spots.

Located in a quiet, oceanfront, gated community with easy accessibility to Kapoho Bay and the ocean itself, there are several calm lagoons for swimming and snorkeling. Some of the lagoons are even heated by geothermal fresh-water springs! A guide-map at the house will direct you to all the best spots. The famous Champagne Pond is about a 10-15 minute walk, but we offer bicycles for our guests to ride over to the ponds! Just five minutes south of the property is the Wai'opae Marine Preserve for more great snorkeling and reef exploring!

The sleeping experience at this home is one thing that made me fall in love with it - the soothing sounds of the ocean lulling you to sleep at night, and the birds in the morning truly make this home a wonderfully tropical experience.

Why the Owner Chose Kapoho

I love the Big Island! My husband and I have been in love with the Big Island since the 1970s! We loved Harry K. Brown Beach Park in Kalapana (now gone because of the lava flow!) I can't count how many times we vacationed on the Big Island, and finally, in 2004 we found ourselves in a position to purchase the beautiful and wonderful Pualani Tropical Dream House in Kapoho! Kapoho is one of the most beautiful places I have been! I love the smell of the air and the warm ocean water soothes my soul!

The Unique Benefits of this House

I am really able to slow down when I am here! I swim several times a day - ride my bike to the ocean access spots - snorkel with the fish and turtles and come back and relax on my lanai with the lovely view of the ocean. I love sleeping with all the windows open and listening to the waves breaking on the reef in Kapoho Bay. There is nothing better!
