Description

Rivetta is an outstanding house with a well-accomplished interior and a beautiful view of the water close by - a little lakeside gem! The furnishings are a real achievement: The house has a youthful, elegant flair. It has been cleverly furnished. Stylish wooden furniture in natural colors contrasts well with the coloured walls. A painted wooden boat adorns the kitchen ceiling. Two of the three floors have balconies facing the lake. Furthermore there is an additional section with external entrance - a small studio apartment with double bedroom, living/kitchen and bathroom. In front of the apartment there is a terrace with lake view equipped with small table and two chairs (see white outdoor furniture in front of the yellow facade). This section is not connected with the rest of the house, but has its own separate external entrance. Therefore it is particularly suited for a couple or a babysitter travelling with your family. In the small village of San Siro you will find a pizzeria and a bus stop. A grocery store is 2 km south. On shore of the lake there are water sports facilities (boat rental, sailing, surfing), and there are a number of scenic trekking routes that begin at the lake. Furthermore, San Siro is a pretty, antique hamlet where you can still feel the atmosphere of the ancient past and view the beautiful castle with arcades dating back to the year 1000.
