Description

Jimbaran holiday villa "Villa (and Spa) Rama Rama". 20% OFF - Huge (7000 sq ft) beautiful 5 bed spa villa with breathtaking views.

Villa Rama Rama (Butterfly) is a huge beautiful Spa villa (780 sqm living space). At 480ft above sea level, enjoy breath taking views of Bali throughout the villa.

To try and describe the villa, on the ground floor there is a private suite with four poster bed. Outside you have the beautiful enchanted garden, lush with fruit trees, and our recently built spa (yes you don't even have to travel for an exceptional, yet cheap massage). Other facilities on the ground floor are for the staff or private.

The first floor is where you will be amazed by the view. There are 2 guest rooms with king size heavenly beds and feather down pillows to aid your horizontal relaxation. You will enjoy the cool breezes of the tropical living the design indoors merging with the outside seamlessly. All bathrooms as mentioned have huge corner baths and rain showers.

There is a fully equipped large kitchen if you do feel the urge to cook, however 100% of guests have commented that the cook does prepare some of the best food in Bali (and all at market prices).

You have the large infinity pool and of course the grand gazebo where you can enjoy the Balinese design concept of man, nature and harmony to laze and relax or simply practice another local custom you'll adopt quickly - the afternoon siesta. In the evening sit out under the stars listening to your favorite music (a 30GB ipod is available at the villa with a wide selection of music). If you fancy a movie the cinema projectors 12ft screen with surround sound will give you an excellent cinematic experience.

Upstairs you have the children's room with bunk beds and baby cots are available. There is the 4 meter long dining table seating 16. Then there is of course the Master. If you are the person booking the villa make sure you have the Master Room. As usual there is the feather down pillows put also a Super King size, super comfy bed. The room is huge at around 1000 sq.ft with a huge plazma (and play station 3 if interested), satellite and big comfy sofa. The best feature though is the private balcony – two 3 seater sofas are there, glass surround, and the view is off the whole of Bali – it really is like your stood on a cliff top, and as I'm finding difficult, it is exceptionally hard to put into words.

You are surrounded by the best beaches in Bali, including where the beach scenes for 'eat, pray, love' with Julia Roberts were filmed. There is also a plethora of restaurants in the area and award winning 'CNN Top 30 Bar in the World' 'The Rock Bar' is just down the road (a must). For golfers, the stunning home of the Indonesian Open is only 10 minutes away

For sure you will have an amazing time and the staff (as you may have read) are brilliant. Upon arrival we have suggestions for our favorites in Bali to help make your whole trip exceptional, and I hope, the best holiday you have ever had. Note that the staff are also amazing with children, and as you can read in the references, 100% of people comment on how they help make their holidays.

Enjoy mouth watering meals cooked in house by our highly acclaimed cook. As a personal favourite, sit outside on the pool deck (first floor) enjoy the beautiful breezes, whilst having your favourite music playing on the cinema screen in the background.

Villa comes with complementary broadband and fully staffed with cook, housekeeper and driver (and complimentary use of the luxury 7 seater 4x4). Please also enjoy our dedicated spa's comprehensive range of packages to complete your pampering. Indulge :-)

Nestled on top of 'The Bukit' (and only 20 mins from the airport and 5 mins from Jimbaran) , Villa

Rama Rama is an idyllic retreat away from the toils of urban life.

At 480ft above sea level, villas enjoy breathtaking views, whilst being only a stones throw away from some of the best beaches on the island (Dream land, Balangan, Padang Padang, Jimbaran to name but a few).

You are also 10 minutes away from an excellent water park and the championship golf course.

The position high on the hill can mean the temperature is a couple of degrees cooler, allowing you to enjoy the refreshing breezes in comfort. Views are outstanding whether looking over Bali during the day with the volcanoes, or looking at the lights over Bali in the evening. Due to the clear air and lack on air or noise pollution, the skies at night can be absolutely breathtaking.

You will be positioned in a great location for activities, attractions and entertainment, but most renters so far absolutely love to spend some quality time at the villa, with the views, an amazing spa, fantastic staff and exceptional food.
