### Description

Eden Villa is located in a private luxurious development of walled garden villas, offering complete privacy. This four-bedroom villa is everything and more than you can expect from a five-star Phuket holiday villa rental. The development is located one minute from the entrance to Laguna 5 Star Resort Complex. An afternoons golf is three minutes away at the Laguna Phuket Golf Course, while a day on Bang Tao Bays unspoilt 7 km beach is four minutes away.

The centerpiece of the villa is a private swimming pool, flanked by a large landscaped garden. Just relax in the garden, poolside or within the shady embrace of the Thai sala and take in the tall palms and luscious turf lawns. This is the perfect garden for those travelling with their children, with lots of space to really express yourself. The swimming pool also has an adjoining Jacuzzi and a quaint bar area, ideal for garden parties and BBQs. The villa itself has four double bedrooms, four bathrooms, immaculately decorated livings areas and a fully equipped kitchen.

Bang Tao and Surin are home to some of the finest restaurants in Phuket, such as the Catch Beach Club and the luxurious Oriental Spoon at Twin Palms.

#### LOCATION

We all seek out a great location when on holiday, or why would we even bother? Situated at Chermgtalay, just 2 km from Surin Beach and Bang Tao Beach, this is one of Phukets more higher-end locations when compared to Patong and the likes. Also under 2km to Laguna Phuket Golf Club, a selection of fine restaurants and nightlife options in Surin and Bang Tao Village, this is the essential holiday location on Phukets sunset west coast.

#### VACATION VILLA ACCOMMODATION

##### Bedrooms

There are four 5-star bedrooms, which are all ensuite, and some open onto the pool for wonderful views and convenience. Jump out of bed and straight in for an early morning dip, with never a fear of being too cold. The bedrooms have wooden polished floors for comfort underfoot and all are ensuite.

##### Bathrooms

The ensuite bathrooms are modern and individually styled. Most have bathtubs and there are both outdoor and indoor facilities including rain showers, wash hand basins and toilets.

##### Dining Room

The dining room is close to the kitchen and features a wooden dining table with six comfortable chairs where you can enjoy formal meals as an alternative to those poolside BBQ feasts.

##### Kitchen

The spacious modern kitchen has everything to cook up a holiday banquet in style. A central breakfast bar with stools caters for informal dining amid the futuristic white-themed centre of culinary excellence, and the appliances include an oven, a microwave, refrigerator, and all the equipment you can think of.

##### Living Rooms

The light airy living room has high wooden vaulted ceilings in the Thai style. Large full-height glazed patio doors open on to the pool and garden to allow those tropical island breezes to waft through the property as an alternative to air-conditioning. The white theme is continued through to the furniture and a feeling of real luxury is present. There is a flat screen TV with all the international channels and a DVD player for your holiday movies should you have time to watch them.
