This Penthouse Suite on the top of a grand white building known as Infinity Residences on the north coast of Koh Samui has breathtaking views over the Gulf of Thailand, together with a superb level of luxury. There are three King size ensuite bedrooms, a modern fully fitted kitchen any chef would be proud of, a large living and dining room, and of course its own eight-meter swimming pool. An added feature of the pool is that one side is glazed so that you can peer into the blue water and its occupants from the lounge. As part of a 5-star resort, there are many additional features on offer, such as 24-hour security and reception, a gymnasium, spa, and an all-day restaurant with swim-up bar. Everything is designed to make your stay as comfortable as possible, from the welcome refreshments to organizing your tours. Allow yourself and your group to be pampered on the holiday of a lifetime

### LOCATION

Although Samui is Thailand's second largest island, there are no great distances to travel to see all the attractions. The first beach is a mere 2 km down the hill where you can soak up the atmosphere of a truly tropical island complete with powdery white sands and gently swaying palm trees. Mae Nam beach is the next along the coast where you can enjoy a different beach scene or even take a boat to neighboring islands such as Koh Phangan. Further out to sea is the Ang Thong national marine park for a spectacular day out. Nightlife options abound in the island's busiest tourist spot Chaweng and all transportation including car hire can be arranged at reception.

### VACATION APARTMENT ACCOMMODATION

#### Bedrooms

All bedrooms have king-sized beds, walk-in wardrobes, and come equipped with HD TVs and a DVD player. You can borrow DVDs from the library to catch up with all the latest movies. Being on the top of the building affords the most wonderful bedroom views from the hues of sunrise to the magical sky painting of sunset. There is a private terrace for the master bedroom.

#### Bathrooms

All bathrooms have bathtubs along with separate shower cubicles, WCs and double wash hand basins. Mood lighting in blue adds to the ambiance and there is a full range of hotel style toiletries, slippers and gowns to make your stay as comfortable as possible.

#### Dining Room

Formal dining takes place around a dining table conveniently situated for serving from the kitchen and seating eight people. Al Fresco dining on the main terrace is an alternative where you can enjoy meals prepared by yourself or a chef for a fee, amid Pacific Ocean breezes.

#### Kitchen

The state-of-the-art kitchen has everything for you or your chef to prepare the heartiest of banquets. There is a dishwasher, oven, ceramic hob with extractor above, coffee machine, kettle, toaster, wine cellar and separate storage room. A breakfast bar caters for informal meals.

#### Living Rooms

The large living room offers the same level of luxury as the rest of the property with sumptuous sofa and lazy chair seating. The LCD TV is HD quality and you can borrow discs from the DVD library to play here or in the bedrooms.
