Description

A newly refurbished flat including new cozy furniture. We have installed a new integrated Luxury Kitchen w/Washer/Dryer/Dishwasher. The massive sitting room makes for lovely afternoons and evenings at home, you may not wish to leave. Our passion is 16th century Spanish paintings. We have hung 3 of these paintings in this flat, they are truly remarkable. Features DescriptionThe balcony is gorgeous loaded with plants and flowers. There is a table and chairs to sit at to enjoy the views of the garden whilst enjoying a glass of wine or a cup of coffee or tea. The bedroom is tastefully furnished. The bed is UK queen size. We thought it would be nice to put a fireplace in the bedroom which we have done. It's an old Victorian fireplace but because of UK laws it cannot be used but, it looks very pretty tucked in the corner of the bedroom. Surrounding DescriptionNearby Attractions Description
