Imagine staying in a home at one of the world's most desirable destinations - Times Square. 1600 Broadway is the only condominium in Times Square. We are actually in Times Square, not 1 or 2 blocks away. Built in 2006, this world class property has it all, design and interior finishes that rival any five-star hotel. This is a spectacular residence for those who truly want an elegant vacation in the city that never sleeps. There are two identical units, one on the 16th floor and another on the 14th. Same view, same furnishings, except one has a green couch and one has a beige couch. This luxurious residence offers a master bedroom and living room with floor-to-ceiling windows and a glass-fronted view of Times Square. The kitchen is designed to accommodate casual cooking or formal entertaining, with granite counter tops.

The bedroom features a king size bed with pillow top mattress. TV and HBO are also available in the bedroom. The living room has a sectional couch which pulls out to a double bed. A 37" TV is mounted on the wall. 250 channels with HBO and HBO on demand are available. NO SMOKING PLEASE!

The entrance to 1600 Broadway leads you into a spacious and welcoming lobby with a full-service concierge desk staffed around the clock.

The fourth floor offers a state of the art fitness center, billiards, virtual golf, and a sprawling landscaped plaza with a practice putting green.

1600 Broadway redefines city living at its best. Watch the lights on Broadway, sunbathe, and enjoy the expansive rooftop observation deck. Have a street side lunch in Rockefeller Plaza, just two blocks away or walk to the great shopping nearby on 5th Avenue.
